

# TEAM BUILDING IN VR SIX-PACK

**Looking for a cost-effective way to connect and engage with your team?**

Edstutia's Team Building in VR Six-Pack is a fantastic way to bring hybrid/virtual teams together in a new dimension for trust-building, collaboration, socializing, and to reinforce your company culture. Participants can connect and engage via immersive experiences such as competitions, karaoke, card games, and scavenger hunts. Choose six immersive activities from a variety of options that are relevant to your team and we'll customize the sessions to be in alignment with your team's challenges and goals.

For \$99 pp/per session, you can bring your teams together for impactful and fun interactions - with purpose. And we'll handle it all - from VR onboarding to program delivery.

**No prior VR experience is necessary!**
